MISSION & OBJECTIVE

The EuroMed Institute of Legal and Political Sciences offers professional, multidisciplinary and recognized training. The Institute's partnership with the University of Paris 1 Panthéon-Sorbonne allows us to guarantee our students a double diploma as well as a Euro-Mediterranean curriculum. At the Euromed Institute of Legal and Political Sciences, we train very high-level lawyers with developed expertise in political science and business law.

The fourth and fifth year of the Euromed Institute of Legal and Political Sciences are years of specialization and professionalization.

GENERAL SKILLS

Fundamentals of political science, law, political institutions, international relations and the economy of the Euro-Mediterranean space:

Introduction to political science, General introduction to law, Euro-Mediterranean geopolitics, History and Civilization of the Mediterranean.

Introduction to Civil Law, and History of Political Ideas.

Academic tools for the development of critical thinking and synthesis, public speaking, construction of arguments, teamwork and methods of investigation and analysis. These skills are acquired through Method Conferences supervised by teacher-researchers and international professionals.

Lessons are given in several languages.

OUTLETS

- International organizations and institutions and Euromed
- Non-governmental organizations • Foreign affairs, diplomacy • Competitive entrance examination into the civil service and Local authorities
- Research and Consulting Firms and Survey Institutes • Institutional Communication
- Expertise in international negotiation • Corporate lawyer, jurist and business lawyer • Notary, judiciary • Teaching and Research

INTERNATIONAL MOBILITY

International mobility is a good opportunity that allows our students not only to deepen their learning and obtain a double diploma, but also to immerse themselves in one of the most important cultural and civilizational contexts in Europe. Mediterranean history. Thus, they develop new skills and prepare themselves to meet societal challenges.

Thanks to the partnership developed with international institutions, students benefit from an experience abroad of 12 months of academic mobility in the 3rd year and 6 months of internship or end-of-study project in the 5th year.

ISJP TRAINING OFFER

LICENSE TRAINING

First Cycle: License

The License in political and legal sciences, provides multidisciplinary and fundamental knowledge in the field of social sciences of politics and law. The 1st and 2nd year are generalists constituting a common core which leads to two main courses: Political sciences and Legal sciences.

This training trains versatile students ready to integrate different masters belonging to political science, law and other social science training (economics, sociology, history, geography, urban planning, etc.)

This course also makes it possible to integrate professional circles in the fields of studies and consulting, in those of local authorities and public and European administrations, in positions of collaborator with elected officials, in the professions of journalism, communication public and institutional and the voluntary sector.

The third year is dedicated to selective international mobility.

MASTERS TRAINING

Second Cycle: Masters

At the Master's level, the Institute offers a diversified training. The student could specialize in the fields of political science by opting for the Master in Mediterranean and African Politics or by choosing a training in legal sciences the Master in Business Law.

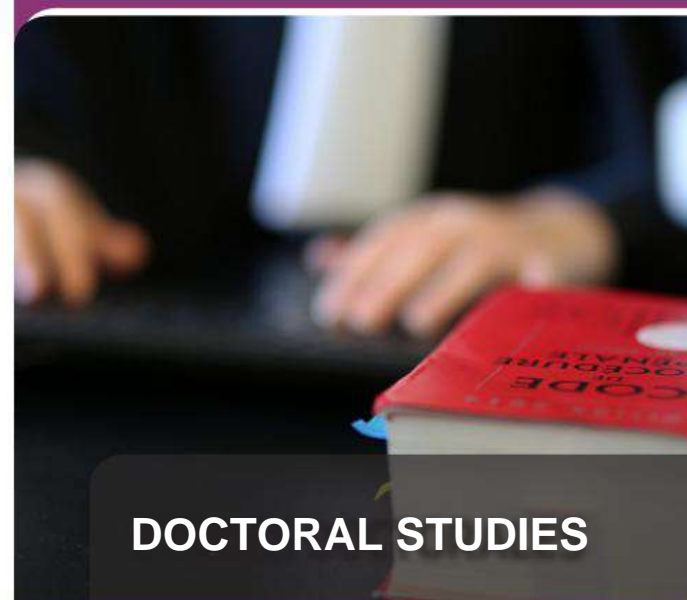

Activity area :

Financial organisations, large companies, law firms, listed and multinational companies, financial institutions, regulatory authorities.

Professions:

Business lawyer, Financial lawyer, Business legal consultant, Business lawyer,

Magistrate.

DOCTORAL STUDIES

Cycle Doctorate

Graduates of Masters in political and legal sciences with a research profile could apply to continue their doctoral studies with the possibility of joint supervision with the University of Paris 1 Panthéon Sorbonne.
